

LEFLER FOOD MARKET

The Food Market Program is a once-per-month mobile distribution where the Food Bank of Lincoln will bring a variety of shelf stable food, fresh produce, and bread and bakery items to the school and set up for families to come through and select what they want. All families are welcome and do not need to register ahead of time to participate but will need to sign in a family name and number of people in their household so the Food Bank knows how much food to bring. **The Food Market will be open immediately following the school day on the dates listed.**
